51	<p>Employment during the training period is prohibited.</p>	<p>It is prohibited in principle for GESL students to come into employment contract or to receive allowances during their international training period. It is prohibited without any exception to come into employment contract or to receive allowances from organizations or companies especially when they are not related to international training. In case the organization or the company is restricted by their regulation so that they can not avoid coming into employment contract and paying allowance to their interns, students may come into employment contract and receive allowances during their international training only if they do not need to obtain working visas or any other similar kind of visas.</p>
